U-Skills 2025

Study Options

Kia Ora

Nau Mai Welcome

UCOL is excited to announce our 2025 U-Skills suite of in-school study opportunities for students still enrolled in a secondary school. U-Skills offers a range of short STAR course options along with our more extensive one and two day-a-week programmes through the U-Skills Central Schools Academy.

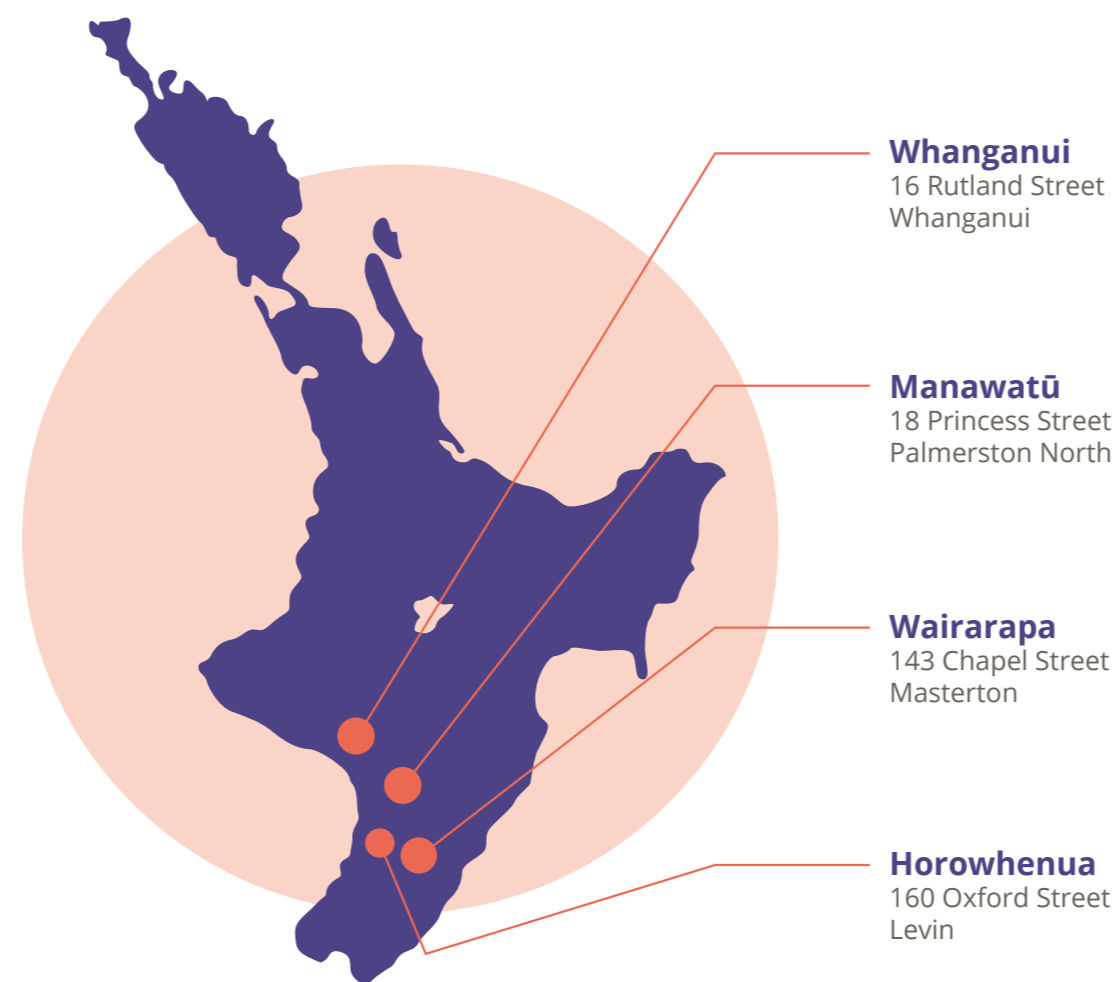

With the support and guidance of our Transition Team, the U-Skills offerings focus on three key areas:

1. NCEA related content
2. Industry knowledge and experience
3. Finding your passion and supporting you to succeed

Check out the offerings available in 2025 over the next few pages, we look forward to seeing you.

STAR

What is U-Skills STAR?

STAR are short courses designed to help you explore your career options. Usually one day per week 9am to 3pm for five or six weeks (you will be notified if this timeframe is different). Our range of courses gives you an opportunity to gain tertiary experience while staying at school.

What does it cost?

There is a fee for each STAR course which is funded through your secondary school (with their approval).

What will I gain?

STAR students experience a short taste of an industry or career option. From this, you may be able to decide what your next step is in your career or if you wish to do extra tertiary study. You will gain practical experience, providing you with information to support you in your future.

Interested?

If you are interested in attending a STAR course talk to your Careers Advisor or STAR Coordinator at school. If your school is happy for you to attend the course they will let us know.

For further details please phone - **0800 GO UCOL** (0800 468 265) and ask to speak to the STAR Coordinator in your region.
